

Louisiana SkillsUSA Championships in Brief

The SkillsUSA Championships is the state-level and national-level competition for public high school and postsecondary, college and technical students enrolled in trade, technical, and skilled service profession instructional programs including allied health occupations. SkillsUSA organizes this event and it is considered the single greatest day of industry volunteerism in Louisiana every year at an estimated cost of more than \$300,000 thousand. Each SkillsUSA Championships contestant is a campus-level gold medalist.

Begun in 1967, the SkillsUSA Championships have grown from 54 competitors in three contests to more than 4,700 competitors in 84 hands-on skill and leadership contests. SkillsUSA adds contests to the SkillsUSA Championships to meet the demands of new and expanding occupations. One hundred and thirty different occupational areas are represented by SkillsUSA affiliated instructional programs.

About SkillsUSA

Formerly known as VICA (Vocational Industrial Clubs of America), SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled work force. We help each student excel.

Dates/Times and Locations

Wednesday, April 6 to Friday, April 8, 2022. (Some contests run two days. All contests run Thursday.)

Caddo Career and Technology Center and Bossier Parish School for Technology & Innovative Learning. Floor open to the public: 9 a.m.–5 p.m.; Best photo opportunities: 10 a.m. to noon; 1–2 p.m.
